Dear Mr. Fred Hartdegen,

On behalf of the Bourg Volunteer Fire Department I want to thank you. We are so grateful for the attention and help you have given us when we needed assistance on a minor problem. The service was excellent and unbelievably fast. It was a pleasure talking with you and we are so appreciative of your concern. Our 8kw Hart-a-gen generator on our rescue truck is God sent. I highly recommend Hart-A-Gen systems to anyone when the topic arises. Service after the sale is so vital and I commend you for your efforts.

The next apparatus we purchase, a Hart-A-Gen generator will be incorporated in the specifications.

Sincerely:

Arlen Charpentier
Fire Chief Bourg VFD
